

THE NEXT GENERATION OF EPOXY FLOOR COATINGS

IMPROVED PERFORMANCE & OCCUPATIONAL SAFETY

**Sika Austria launches two classics of epoxy floor coating
with an improved formulation:**

Sikafloor®-150 Plus

Universal epoxy binder for priming, leveling,
mortar & screed production

Sikafloor®-264 Plus

The all-rounder for durable protective coatings &
high-quality floor coatings

A perfect floor coating for modern construction projects:

- Low odor in application
- Extremely low VOC emissions
- Free from ingredients which are toxic for reproduction
- Easy & fast application
- Approved for indirect food contact
- Decontaminizable for highly hygienic requirements
- Can be used multifunctionally, as a roller-coat, self-leveling coating, textured surface, or sealant
- Ideal for sales areas, factory & production facilities, logistics centers, etc.

FOR THOSE WHO EXPECT MORE

BUILDING TRUST

RELY ON PROVEN SIKA QUALITY
